Sl. No.	Vol. No.	Tender Page No./Clause No	Description	Bidder's Query/Clarification	GGL/TE Reply
1	Volume II of II Technical	SOR Item No. 2		We want to know that if the service line length is more than 5 mtr then what rate we will get ? Means we will get Rate of item no 2(a) in addition to Rate per mtr as per item no 2(b).	Up-to 5 mtr. Installation job payment shall be made as per SOR item no.: 2 a and for Installation job above 5 mtr. And up-to 15 mtr. Payment shall be made only as per SOR item no.: 2 b. Tender Conditions Prevail.
2	Volume II of II Technical	SOR Item No. 2		If we have to give connection for commercial or Industrial customers or we have to take tap of from 63mm, 90mm or 125mm then should we consider those connections in this item no?	Job is limited to 20 mm & 32 mm size as mentioned in SOR. Tender conditions Prevail.
3	Volume II of II Technical	SOR Item No. 3		If we do laying work without getting permission than shall we got restoration charges as per item no 3	Tender Conditions Prevail.
4	Volume II of II Technical	General		What will be rates of emergency services / O&M activities like completion of uncompleted riser (GI work). If we have to complete the uncompleted riser than we have to retest the same or we have to completely remove it and then re install it. how would you pay for it because in this type of work our work increases double.	Tender Conditions Prevail.
5	Volume II of II Technical	General		What will be sor for flame problem , rubber tube installation, appliance change, no gas supply, regulator trip, clamp installation etc as these works are small but we have to pay much more for these activities as these activities take time, labour and transportation irrespective of material consumption.	Job Included for allotted GA (Geographical Area) Tender conditions prevail.
6	Volume I of II Commercial	General		In addition to above query we have one request you to kindly reduce the CPBG amount upto 5% and balance 5% you can deduct from running bills in consideration of the fact that in this tender we have to purchase GI pipe and Fittings with MDPE fittings and we have to do more payments to start this work.	Tender Conditions prevail.
